Remarks: The purpose of the attached letter is to advise Senator Wiley of our present position on his bill to establish a Citizens' Council for the Advocacy of Freedom. Last summer, Senator Wiley requested our views on his bill. He interpreted our non-committal comments as being in support of the measure. The attached report to Senator Fulbright which was signed by General Cabell on 3 October, and approved by the Bureau of the Budget only last week, does not favor enactment of the bill. In view of Wiley's reaction to our earlier letter, we think it advisable to inform the Senator of our position by sending this letter. Both Mr. Warner and Mr. Houston agree with this
